## Covered Entry and Patio

It's the long-awaited surprise party. You've had it planned for months. Fortunately, you'll be able to hear the guest of honor on the front porch before coming in, so you can make sure everyone is quiet. And they won't suspect a thing because everyone is hiding on the back patio. Shhhhh....they're here.

## Dining

For this special occasion, you called your favorite caterer. They have the dining room all ready to set up a beautiful buffet later in the evening. You've always wanted a formal dining room for just such an occasion, which is one of the reasons this floor plan was perfect for you.

## Family Room

By the time your guest of honor makes it back to the family room, everyone will have yelled, "surprise!" With the hors d'oeuvres and drink station already set up, with plenty of room to spare, the party gets off to a rousing start.

## Kitchen

Having a party catered is the closest thing to perfection you've experienced in a long time. There's plenty of room in this kitchen for everyone to do what they need to do without being on top of one another, especially when you add in the island and the breakfast room table.

## Secondary Bedrooms

A few friends came in from out of town for the special occasion. You sent the kids to spend the night at friends' houses so you could use their rooms as guest rooms. Everyone is as comfortable as they can be. Sweet dreams.

## Master Suite

The party was a huge success. Now it's time to unwind and enjoy an hour or two of quiet relaxation. Your suite has everything you need to pamper yourself, including an elegant Roman tub for one of you and a soothing shower for the other.
